16th May 2016

Dear Parents and Carers,

The Queen's 90th Birthday Celebration

To mark the 90th Birthday of Her Majesty the Queen we will be holding a whole school celebration on Friday 10th June. This will form part of the schools work on Social Moral Spiritual and Cultural education based on British Values.

We would ask that the children come to school dressed in Red, White and Blue or any combination of these colours to help with the celebratory feel of the event.

The celebration will involve British Value related activities, a hat parade, an afternoon tea picnic on the field and a good sing along of the national anthem and other British hymns and songs.

To help mark this special birthday we would like every child to make a celebration birthday hat. These hats should reflect 'Britishness' and the Royal family. This will be set as a whole school home learning task on Thursday 26th May (more details will follow with home learning). There will be a prize for the 'best' Queen's hat - so be creative!

We would also ask that children bring in a small cake or biscuits that they could share with a friend as part of our afternoon tea; this will help us to mark the special event. Please remember that cakes and biscuits should only be enough for two people and should **NOT CONTAIN ANY NUTS**.

If your child is able to bring in a picnic blanket to sit on with their friends it would be very much appreciated.

We hope that the children enjoy this special event and that the weather is kind to us. A bad weather plan will be shared if required.

Yours Faithfully

Mrs Bleack and Miss Davies
